- meals (lunch and dinner), however guides will recommend local restaurants during the breaks
- during the Nile cruise meals are included but drinks are excluded
- optional tours
- Egyptian visa (usually it can be obtained at the arrival, but double check at: <https://www.worldtravelguide.net/guides/africa/egypt/passport-visa/>),
- tips to drivers – local guides – Company representative (it's customary to tip those type of services in Egypt)
- insurance (for example, choice of the worldwide insurance: <http://www.lonelyplanet.com/travel-insurance>).

Note: You will be in good hands, going to safe places, learning and seeing a lot, with the opportunity to experience the magnificent, ancient Egyptian sites through different eyes. Several meditations will be held at special energy places.

About Host of the Program: Dr. Sam Osmanagich, Ph.D., anthropologist and pyramid researcher (www.samosmanagich.com). His doctorate is dedicated to the Mayan pyramids (Mexico, Guatemala, Honduras, El Salvador, Belize), He has discovered Bosnian Pyramids in Visoko leading this project as Principal Investigator from 2005. Author of 17 books about ancient civilizations and pyramids, translated into 16 languages. Member of Russian Academy of Natural Sciences, member of Alexandrian Archaeological Society. He's been lecturing at Faculty of Archaeology at University of Cairo, University of Ein Shams in Cairo, University of Alexandria, Library of Alexandria and Alexandrian Archaeological Society (Egypt). *He has finally accepted a request to*

host this organized trip with the most comprehensive tour to Egypt and share his knowledge. This trip will change the view of the ancient history for the participants, but also the conventional view of Egyptian antiquities (pyramids, temples and megaliths).

Sam Osmanagich, Ph.D.
